

EDUCATORS RISING

NEBRASKA

There's power in teaching

What is Educators Rising?

Educators Rising is an organization that helps make sure teachers have the experience and skills they need to be ready for the classroom. Starting with high school students, we provide passionate young people with hands-on teaching experience, sustain their interest in the profession, and help them cultivate the skills they need to be successful educators. The result is a pipeline of accomplished teachers who are positioned to make a lasting difference — not only in the lives of their students, but also in the field of teaching more broadly. Your generous donation will help the organization prepare high school students that want to pursue a degree in teaching. Thank you!
